Interest on Deposits**In Growing Demand
By Banks**

In a revised edition of "The Most Satisfactory Bonds" graphic comparisons show which bonds give the best results to investors. The increasing percentage of these bonds which the Comptroller reports among the holdings of the banking institutions of the country is due to their higher average yield and the greater stability of earnings back of them. You will be interested to compare the yields and price movements of representative Municipal, Railroad and Public Utility Bonds in Booklet AD-79, sent on request.
